## 2003 PONY LEAGUE FALL BALL SCHEDULE

### NOTES:

1. Schedule revisions are a fact of life in the NSYBA. Be sure to check the website ([www.nsyba.org](http://www.nsyba.org)) and your team manager frequently to make sure you have the current schedule!
2. The Board has instructed the scheduler to schedule the first three weeks. Then he is to examine the teams' records and schedule the remainder of the season, taking care to match up equal teams as much as possible.
3. As of September 2, there is an odd number of teams in NSYBA Pony League Fall Ball. Therefore, to prevent one team per week from taking a bye, the scheduler has scheduled one team per week to play a double-header. The teams selected will always be from a multi-team league. The second game of the double-header is noted as "(2nd)" on your schedule. If your team is scheduled to play a double-header, the first game is the one for which your rostered team should be present. The second game will be played by as many players from different teams in your league as are needed to fill out a roster. **MANAGERS:** please be sure to call around in your league to make sure you have enough players to play the second game in your double-header!
