home email: agreatcoach@aol.com

2004 SPRING NSYBA RAIN OUT HOTLINES

RAIN OUTS AND HOTLINES: Inclement weather can be unpredictable. You should always assume that you are going to play. Umpires and coaches are strongly encouraged to get games in if it can be done safely. Games will generally not be canceled prior to one hour before game time. Managers should inform players that if there is doubt about field conditions, they should not call the manager, but, instead, they should wait for the manager to call them and that if they don't hear from the manager, go to the ballpark on the assumption the game will be played. Some sponsoring Communities have a "hot line" telephone number from which official information about field conditions sometimes may be obtained. **Managers and coaches: please share these phone numbers with your players and parents!**

ASSOCIATION	TELEPHONE HOTLINE
LINCOLNWOOD	847-423-5773
GOLF-MAINE	847-297-5779
