

# 2004 PONY LEAGUE SUMMER BASEBALL!

You can keep playing baseball after the Fourth of July! Summer is a wonderful time to play baseball. And Skokie Indians has a program for you.

In conjunction with the North Suburban Youth Baseball Association (NSYBA), we'll play a season of Summer Ball. And we'll play all over the North Shore. Some of the diamonds we may play at include our own Central Park West, Laramie Park West (some games under the lights at night), Wildwood in northwest Chicago, Evanston's James Park and Portage Park in Chicago with its grass infield.

## A GREAT SCHEDULE

Many of our games will be on weekday evenings but we will play some games on weekends.

Since our Summer Ball is for fun and learning, we won't have playoffs, just lots of baseball.

Look for the season to start in mid-July and run through mid-August.

## RULES OF THE GAME

We'll play under the Major League Rules of Baseball supplemented by the NSYBA Local Rules.

## WHO CAN PLAY

Baseball players of league ages 13 through 15. Your league age is how old you are on August 1, 2004. Sorry, but players rostered on any traveling teams at any time in 2004 and high school players are not eligible for Summer Ball. Only two 15-year-olds per team. This year we're also allowing league age 12's, but only if they have sufficient skills to play pony level baseball, in the opinion of our pony level coaches.

## COST

There will be a modest charge, \$40.00 or less per player. The cost is so low because teams provide their own jerseys and use pants from the spring season.

## FOR MORE INFORMATION

Call Joe Hasman at 847-328-3599.

### WHAT IF I CAN'T MAKE ALL THE GAMES?

No problem! Teams will roster lots of players and have several coaches. Families take vacations in July and August. And there are other sports played or started during the summer. We'll make the teams large enough so players and coaches can miss some games without causing problems for their teams.
