**SIXTEEN-TEAM  
DOUBLE-ELIMINATION  
CHAMPIONSHIP SEASON**

These numbers (1-16) are regular season seedings. The higher seeded team (lower number) in a bracket is home and the lower seeded team is visitors. The higher seeded team is the home team throughout the tournament. Thus, if 10 beats 7 and 15 beats 2 in the first round, on day 3 (game A4) 15 is visitors and 10 is home.
