

2009 SUMMER BASEBALL SCHEDULE

revised Saturday, August 15, 9:15 PM

UPDATE: Sadly, the hoped-for tournament on Saturday, August 15, at Crowley East and West is cancelled. Insurance coverage was the problem. Ah, well . . . next year. I've scheduled two games for Saturday, August 15, instead. Also, Skokie Youth 1 and Skokie Youth Eagles will merge into one Skokie Youth team as of Sunday, August 16. — Tom Kendall, NSYBA Co-Commissioner

NOTES:

- 1. Visitors take the first base dugout and bat first. Home takes the third base dugout, prepares the diamond, provides game balls and umpire, and bats last.
2. The NSYBA plays by Major League Baseball Rules as modified by the 2009 Summer Baseball Local Rules. Both are available for download at www.nsyba.org.
3. Single games run seven innings; double-header games run five innings each.
4. Directions to the ballparks are available at www.nsyba.org. Click on the "Ballpark Maps" link in the green "Navigation" box at left.
5. Rainouts and such will not be made up, unless both managers can agree to a new date and time.

Table with 6 columns: DATE, DAY, TIME, DIAMOND, VISITORS, HOME. Rows list games from August 9 to August 22, including teams like Laramie West, Morton Grove, Skokie Youth Eagles, etc.

NOTE: Golf-Maine is responsible for preparing the diamond, but Wilmette will bring the game balls and umpire. Golf-Maine will bat first and take the first base dugout; Wilmette will bat last and take the third base dugout.

NOTE: Morton Grove is responsible for preparing the diamond, but Wilmette will bring the game balls and umpire. Morton Grove will bat first and take the first base dugout; Wilmette will bat last and take the third base dugout.

NOTE: These last two games will be 7 innings each, since Morton Grove has more than enough pitching.
