

The Skokie Indians Summer League is for players from ages eight through eleven. The season runs from early July through mid-August. The teams will have 15 players and three managers/coaches to allow for summer vacations.

The season is short (only 10 games) and the atmosphere is relaxed. We also have altered the rules to encourage pitcher development. This is a good way for your child to continue to grow as a player without any pressure. This is also a good opportunity for any parents who have been thinking of getting into coaching to try it out. We use standard Skokie Indians Little League rules and play on League diamonds. Players get shirts and caps.

## FALL LEAGUE

### The Skokie Indians Fall League

Big-Leaguers dream of playing baseball in October. If you share that dream, all you have to do is sign up for one of our Fall League teams. Skokie Indians teams will play on Saturday mornings from Labor Day through October against other North Shore teams at diamonds in Skokie, Evanston and Northbrook. The Fall League is a relaxed recreational program with no scheduled practices, standings or playoffs. This is a great opportunity to play a few more games of good quality baseball and a chance for players moving to a higher level of play next year to get some experience at that level. We will field teams for incoming 3rd and 4th graders, as well as incoming 5th and 6th graders. Registration information will be available on our website later in the summer or fill out the form and send it in.
