

2010 NSYBA SUMMER SCHEDULE

HOW TO READ THIS SCHEDULE:

1. Team abbreviations are two- or three-letter/number abbreviations. You'll find the key toward the bottom left of each page.
2. You find the diamond abbreviation key and rough location at the bottom right of each page. You can get the exact location plus mapquest and google directions on the www.nsyba.org website. Click on the "ballpark maps" link in the green "navigation" box at left.
3. The first column gives you the diamond abbreviation and the abbreviation of the league which calls it home.
4. The first pitch times in the second column refer to SUNDAY only and are frequently different from the first pitch times for other days.
5. The first pitch times in the fourth column refer to MONDAY through FRIDAY only and are frequently different from weekend first pitch times.
6. The first pitch times in the tenth column refer to SATURDAY only and are frequently different from first pitch times for other days.
7. Shaded game slots are unavailable to NSYBA summer baseball; the unshaded game slots are available.

WRIGLEY Wrigley Field, Clark at Addison, in Chicago
 CELL U.S. Cellular Field, 331 W. 31st Street, in Chicago

2010 SUMMER SCHEDULE NOTES:

1. Visitors take the first base dugout and bat first. Home takes the third base dugout, prepares the diamond, provides game balls & umpire, & bats last.
2. Wilmette does not have a home diamond this summer. Consequently, half their games will be "home" games at "away" diamonds. I've starred games where Wilmette will be "home." When Wilmette is "home," they will bring the game balls and the umpire.
3. Single games run seven innings; double-headers are five innings each. (A double-header is the same team playing twice on the same day.)
 EXCEPTION: SAT, Jul 31, Skokie Indians Classics games at James 3 (2 seven-inning games)..
4. The schedule is unbalanced, and there's no seedings or championship, so rainouts will not be made up.
